Stage 1 Dance Group 2024

Dear Parents/Caregivers,

Your child _____ of class _____ has been selected to represent our school in the Stage 1 Dance Group. It has been wonderful to see so many students attend our auditions, and we are thrilled to be offering Dance Group as an extracurricular activity in 2024.

This year, our dance groups will be participating in various school events such as assemblies and Presentation Days. Additionally, we will be entering our group in the East Hills Dance Festival which will be held later in the year. This would be an evening commitment and students would be required to be transported by parents to and from the venue. More information will be sent out regarding this performance and tickets, etc, in the upcoming weeks.

There are some important Stage 1 Dance Group **commitments** below highlighting your child's involvement over the **entire semester**. Alternatively, if you do not wish for your child to participate, please indicate this on the permission note so that we can invite other students to join. The permission note and contributions will need to be **returned to the school office** by the **11th of September, 2024**.

What is involved in Stage 1 Dance Group?

Rehearsals will be held every **Thursday** at Break 1, in the Tech Deck. Students must attend all rehearsals unless they are sick. It is also important that students display consistent positive behaviour in all school settings in order to participate in dance group. Some weeks may require a 2nd practice session on another day earlier in the week.

Bass Hill Public School aims to support this extracurricular activity through fundraising activities, however, a cost of \$20 contributes to a costume donation and helps to cover the cost of buses for daytime rehearsals and performances. We endeavour, always, to support our students by keeping costs to a minimum.

We are looking forward to many exciting opportunities over the year.

Regards,

Miss D'Abrera, Mrs Jones and Mrs Thomson

Stage 1 Dance Coordinators

Stage 1 Dance – PERMISSION NOTE

I _____ give permission for my child
(parent/carers name)
