Dear Parents and Carers,

We are very excited to have the Life Education Van visiting our school in Weeks 4 and 5 this term. The program, which has been delivered in schools all over Australia, provides education to children, building the skills they need to lead safe and healthy lives.

Each class will visit the van for a 60 minute lesson, where the content being covered comes straight from the PDHPE syllabus. This is essential learning for your child, delivered in an exciting and engaging way. Programs are tailored to cater for the specific needs of each stage group.

Learning for KS, KT and K/1C will focus on the module 'My Body Matters'.

It looks at the importance of:

- personal hygiene
- choosing foods for a healthy balanced diet
- benefits of physical activity and sleep
- ways to keep safe at home, school and in the community

The cost of this invaluable incursion is \$12.00. Please return the attached slip along with payment to the school office by Thursday 8 August.

Kind regards

Mrs Gray and Ms Charmand
