

# Bass Hill Public School Community Hub

Hi, we are Mecca and Sandra and together we are your Community Hub Leaders at Bass Hill Public School.

The Community Hub is a safe and welcoming place to meet new friends and make connections, while providing endless opportunities for you and our local community. These opportunities include:

- Formal training/courses (from TAFE or College)
- Informal sessions like parenting workshops, cooking classes, English classes and excursions
- Links to support services like mental health and financial assistance
- Opportunities to unwind and chat!

The Community Hub is also a space where we encourage you to bring your own ideas and recommendations of what you would like to see happen in the Community Hub.

Here is what is currently running in the Hub for term 1.
