I would also like to welcome the following teachers who have been permanently appointed to Bass Hill PS:

The following staff members have been appointed to Bass Hill Public School as permanent school learning support officers:

- Angela Simiri -RFF.
- Yasmin Coghlan – RFF.

A warm welcome to all of our new staff members and families.

This week you will have received your class essentials list as well as initial communication from your child's class teacher. Due to COVID Restrictions we are unable to hold our usual 'Meet the Teacher' BBQ. However, all classroom teachers will upload a video recording to Class Dojo to allow for a 'virtual' introduction.

This year there will be increased opportunity to meet 1:1 with your child's class teacher in a more formal capacity with parent teacher meetings towards the end of term one and again in term three. The term one meeting will allow parents to share their hopes and aspirations for their child's education with teachers. Term three will allow teachers to feed back to parents on how students are progressing with their learning. As always, parents will receive a comprehensive written report outlining student progress in terms two and four.
