A Quality Improvement Review Planner is in place in the Preschool to ensure continued improvement in quality practice. The Planner documents planned stage meetings and planning days across the year which will allow educators and leaders time to review and reflect on the QIP and Local Procedures.

Agendas for each planned meeting document the specific reviews to be completed at each sitting and are detailed within the Review Planner

<b>Quality Improvement Review Planner 2020</b>			
<b>Term</b>	<b>Meeting</b>	<b>Week</b>	<b>Document to be Reviewed</b>
